

Don Smallie-Biography

I have been a Chiropractic since 1976. Also I have been investing in houses and apartments since 1979. I've owned over 200 residential doors, apartments and houses and built homes for 8 years. Because of the major recession of assets in 2006-2008, I lost all real estate and all assets. I am now rebuilding, fixing and flipping and remodel jobs.

Currently I am a licensed:

1. Chiropractor
2. Contractor
 - a. B license-General
 - b. C-15-Tile license
 - c. C-54-Flooring license
3. Real Estate Agent

Currently I am partnering with 7 investors involved in flipping up to 30 houses per year.
